Lane closures to be removed at US 2/85 intersection in Williston today, August 15

Starting today, August 15th, lane closures will be removed at the US Highway 2/85 intersection in Williston. The intersection was previously reduced to one lane in most directions earlier this summer to allow crews to complete paving work. This work is part of the Williston Truck Reliever Route project.

Work north of the intersection will continue through October.

The NDDOT Williston District serves the transportation needs of the communities in northwestern North Dakota, including Williston, Alexander, Watford City, New Town, Stanley, and Berthold. NDDOT has been working very hard to build new bypasses, expand roadways, and provide roadway improvements that will enhance traffic movement in this very fast growing part of the state to get motorists where they need to go safely. To learn more about this year's projects visit www.nddotwilliston.com.
